

***Press Release September 2010***

***MCM is pleased to announce a new stop loss coverage discount!***

**MCM Solutions for Better Health is pleased to announce that their population health management programs have been certified for a 10% discount on specific stop loss coverage!**

Stop Loss Concepts actuarial staff has completed an in-depth, four year analysis of MCM impact data for utilization, case and care management programs. The data has also been reviewed by their A rated carrier and reinsurance partners and they are offering health plans utilizing any combination of MCM's UM/CM or DM products a 10% discount on the specific premium. We are very excited about bringing this significant discount to our partners.

Best wishes for Better Health

Mike O'Connor

President
